## FAMILY WORSHIP

Every Sunday, we share an opportunity with families of all ages to worship in this short (20 minute) intimate service. If you are looking for a place to explore religion, worship and spirit, through the eyes of a child **or** with your own children, please join us in the chapel **Sundays at 10:00 AM in the chapel.**

## PLAYFUL PEOPLE

*6mos to 3 years (inclusive) Juanita Simms, teacher*

Our care providers create a safe and loving environment, as we welcome our smallest members and the occasional adult who wish to stay with them. We consider the playroom experience to be children's first encounter with the faith community as safe and welcoming using guided play and caring interactions. What a great way to spend a Sunday morning!

## CHALICE CHILDREN

*Pre-K—Kindergarten Deena Corany, teacher*

We learn a lot in the these early preschool years. Every Sunday we have an opportunity to come together in a community of friends, to discover, to play, to cooperate, to share feelings and to participate in our own special form of worship. Chalice Children brings church to the heart and soul of young children through our triad of early childhood curricula, "Chalice Children", "Celebrating me and my World", "We are Many, We are One".

## STORIES ABOUT GOD

*First & Second Grades Sarah Hawn, teacher*

As children begin to encounter images of the holy, we encourage them to consider all the ways in which the holy (which many of us know as "God") appears in the world and in the human heart. God is a religious shorthand for many aspects of the holy and we invite, through story and questioning, an open minded exploration among the very young. We use the "Stories about God" curriculum as well as other sources.

## WE BELIEVE

*Third & Fourth Grades Jill Pylkkanen, teacher*

**We** believe in the open mind. We also believe in shared values, in our search for truth and meaning, from many sources. With our "Bibleodeon" curriculum we explore beliefs about the Bible, and the values and ethics which inform a "good" life and a more just world.

## WISDOM SEEKERS

*Fifth & Sixth Grades Teacher, Jodi Tharan*

**As** religious pluralists, we believe that inspiration, wisdom and meaning can come from every-where and anywhere. In the two year cycle, we explore through our own reflections and questions, visits from guest speakers and off site trips to participate in the rituals and practices meaningful to other faith traditions. We deliver content through two primary curricula, Bridge Builders and Neighboring Faiths.

## OUR WHOLE LIVES

*Seventh Grade, OWL TEAM*

As Unitarian Universalists we affirm our adolescents as whole people in this comprehensive sexuality education program. The course offers clear and factual information concerning biology, health, STD's, sexual decision-making, the possibilities of human sexual expression. There are many opportunities for values reflection, values clarification, and peer dialogue. This year, the group meets **September through May** Sunday 4:30– 6:00 pm

## F8TH IN ACTION

*Eighth Grade*

The "F8th" year is one of inquiry, challenge, service and worship. In preparation for the high school years, we begin to taking responsibility for our religious lives, clarifying our understandings of what it means to be religious, to be human, and to be a Unitarian Universalist. This year the group meets Sunday afternoons with offsite outings and retreats at other times as arranged in advance.

**September through June.** *Kye Flannery and Rebecca Kelley Morgan lead the group*

## WUSYG

*Winchester Unitarian Society High School Youth Group*

For all 9th-12th graders who are looking for something different, a community in which to find comfort, and challenge; and a place to find meaningful engagement with the world. The group meets most **Sundays 4:30-6:30 PM.** *Inquires may be directed to Sam Wilson, Director of Youth Ministries.*
