

RELIGIOUS EDUCATION REGISTRATION 2017-2018

WINCHESTER UNITARIAN SOCIETY

Dear Friends,

We welcome you, children and adults, families of all configurations to our Religious Education Programs. As a living and evolving faith, we are constantly answering the question, “How can we make our Unitarian Universalist faith meaningful and accessible to those who come through our doors?”

Although the method changes, what remains constant is that we come together to shape meaning for ourselves and for the children we are blessed to steward for the future. Whether you have been here for as many Sundays as you can remember, or are joining us for the first time, welcome to the this Unitarian Universalist Congregation.

We are committed to making church a positive experience for all ages, children and adults. Most Sundays facilitation and teaching is provided by contracted leaders for our programs, allowing parental adults to worship with their peers, and to provide consistency for our young people. This is made possible by the generosity of this congregation.

We welcome everyone across the lifespan to minister to each other in our programs, and offer many opportunities to do so over the course of the year. Please know how much we value your commitment to your families’ religious and spiritual life, and how welcome you are at Winchester Unitarian Society
