

## Post-it's and comments from BLM Board in Symmes

### Signage option & Numbers for reference to comments

1. In this Church We Believe, BLACK LIVES MATTER; WOMEN'S RIGHTS ARE HUMAN RIGHTS, SCIENCE IS REAL; LOVE IS LOVE; NO MATTER YOUR FAITH OR ABILITY KINDESS IS EVERYTHING
2. Our faith calls us to affirm: Black Lives Matter
3. BLACK LIVES MATTER: "We believe that all lives matter; that every person is valuable and every person deserves to be treated with justice and love; We live in a society that suggests otherwise. Because of the continuing injustice and violence disproportionately endured by people of color, we affirm that Black Lives Matter"
4. BLACK LIVES MATTER TOO
5. We Believe **Black Lives Matter**
6. Your idea of a better sign
7. None of the above

Date	POST-ITS on Board
06.04.17	How about "BLACK LIVES MATTER" or "BLACK LIVES MATTER TO UNITARIAN UNIVERSALIST"
06.11.17	I support this idea - (referencing post above)
06.04.17	#5, but white letters on black background (more consistent with other signs and images of the BLM movement)
06.04.17	#1
06,04.17	#2
06.11.17	#2 or #4 Simple is best. Too many words dilute the message #2 gives the reason for the sign. Easy to remember.
06.04.17	#3 should be shorter
06.11.17	BLACK LIVES MATTER, ALSO(?) BLUE LIVES *ALL* LIVES MATTER - SAM, III
07.03.17	White letters on black background - Black lives matter
07.03.17	If the sign isn't going to say only "Black Lives Matter" I would prefer #2, but my 1st choice is "Black Lives Matter"
Fall 2017	re #1 Kindness is not enough. Need awareness and understanding
Fall 2017	#5: Keep it readable from road!
Fall 2017	#5 or Plain old "Black Lives Matter" logo. We must be unambiguous, readable in a stoplight length
Fall 2017	#1 says it all
Fall 2017	Black Lives Matter. Unravel racism
Fall 2017	#4 or #2 or #1
Fall 2017	re: #3 Are you equating people of color with black people only?
Fall 2017	re: #4 This is offensive
Date	Comments in Box
06.04.17	1. and 3. - Should be shorter
06.04.17	I vote for #2
06.04.17	3. perhaps shorter
06.04.17	#5
07.03.17	box was checked - no comments enclosed
Aug-17	With apologies, Sophia lost 3 comments from the box.
Fall 2017	If we want to affirm other groups we should have a "rotating" sign arrangement (alternating). I esp. like #2
